DyMark Proudly Supports Team in Lisa Rendall Golf Classic for Breast Cancer Research

June 25, 2008

DyMark Industries proudly supports the Lisa Rendall Golf Classic for Breast Cancer Research by sponsoring the *Mulligan Mamas* golf team, lead by DyMark's Chief Financial Officer Diana Paquette.

The *Mulligan Mamas* are, like their namesake, a team who needs to take a mulligan every once in while on the prestigious Willows Golf and Country Club course. Not sure what a mulligan is? Most simply put, a "do-over". Hit a bad shot? Take a mulligan and hit it again. DyMark has bravely sponsored the team for the past several years of the charity event and what the *Mulligan Mamas* lack in talent, they make up for in fun and laughs along the way.

DyMark Industries is pleased to be a proud supporter of the Lisa Rendall Golf Classic for Breast Cancer Research as Lisa's story touched our hearts. Sadly, our staff members have also been affected by cancer through a loved one, colleague, friend or neighbour. The Breast Cancer Society of Canada reports that 1 in 9 women will develop breast cancer in their lifetime and 1 in 28 women will die from this disease.

We commend Lisa Rendall for initiating the golf classic to help raise money to find a cure for breast cancer. The 8th Annual Lisa Rendall Golf Classic raised over \$60,000 in 2008 and has raised over \$288,000 since its inception in 2001.
